12:15 – 1:00 Lunch and Business Meeting/Adjourn

***This is a very important meeting. We are hoping for maximum attendance. This is the chance to recommend changes to the regulation or to recommend the regulations stay as written. Just as importantly, anyone and any group can also recommend changes during the review process; this means real estate groups, builders, code authorities, engineers, architects, individual home inspectors, etc. So please attend and at least learn about the upcoming regulatory review process. VAREI is recognized as a major voice in Virginia's home inspection industry. Come to this meeting and help VAREI establish its position.**
